Re: Light Rail Project Utility Costs; Docket No. C-00000A-03-0861

Dear Sirs:

Thank you for your prompt responses to my prior inquiry about your relocation costs associated with the Valley Metro Rail Project. However, I still have some concerns that this project may contain hidden costs for utility customers and would like some additional information. I request that you send me copies of your current franchise agreements with Phoenix, Tempe, and Mesa – or at least those portions of the agreement having to do with relocation costs of infrastructure, in particular, the Valley Metro Rail Project. Also please advise if these franchise agreements are being, or recently have been renegotiated.

Thank you for your continued cooperation in this matter.

Sincerely,

William A. Mundell, Commissioner  
Arizona Corporation Commission
